

Hard By the River

Hard by the river
Blasted upside,
A young man's proclivity
Swimmin' against the tide.

Reason and knowledge
Opinion and grace
Slithered up to 'im
'n sat on his face.

Enroll him. Extol him.
Reach down and fold him.
Take him and break him
Pull up and shake him.
Just do not fold, spindle,
Mutilate or forsake him.

'Tis give to your sister,
Your brother, also.
Reach, teach, beseech,
Help 'em to grow.

Give 'em your all
Amaze and delight.
Feed 'em and greet 'em,
Love 'em all night.

He is your brother,
Sister and mother.
Father and son
Spirit of One
Loving the sun
Yellow fun
Eternity is
Done.
